## BREAD CLUB

### Bread subscription scheme

#### How it works

It is a subscription service for a weekly bread delivery, very similar to a veg box scheme. You can simply sign up for a month's subscription to receive a weekly loaf of bread, freshly baked, which is delivered to your door (**Sabden only**), **if outside Sabden you can collect from La Dolce Vita in Colne**. You can also receive some delicious flaky pastries or croissants. Ideal for a weekend treat.

By subscribing up front I can ensure I bake to order and reduce any wastage, in exchange you get tasty real bread with no additives or preservatives, baked locally.

#### A Bread Club subscription costs:

£10.00 per month 1 loaf a week

£12.00 per month 4 croissants or cinnamon swirls a week

#### Bread Choices

Choose from **one** of the following options:

1. Sabden Sourdough Loaf
2. Speciality Loaf – this will change weekly
3. Croissants
4. Cinnamon Swirls

**What is a sourdough?** A sourdough loaf is made using a sourdough leaven harnessing the raising power of wild yeasts. It can take over 24hrs to create a lovely long slow fermented loaf which is full

of flavour. This produces a natural dough with no additives, which is also more nutritious and easier to digest, so better for you.

I always use good quality freshly milled flour and organic yeast to create a variety of breads, from sourdough to Olive bread. My bread is baked at the bakery in Colne during the day and delivered to you fresh the same day.

**Specialty Loaves** – this will change each week, some examples are; chilli & cheese, olive loaf, seeded bread, sourdough, a great variety to suit all tastes. If you have any dislikes, I can always bake another choice for you.

All loaves are 800g, which will easily feed a family of 4 people

**Croissants & Cinnamon swirls** – freshly made using lots of creamy butter - 4 of each pastry per week, depending on your choice

### **Delivery**

I will deliver every Friday directly to your home. If you are out I can leave it in a secure place, just tell me where is best for you.
