

December 2017

Dear Parents and Carers,

What another wonderful term we have had at Simmondley. At this time of year, it is worth reflecting the many reasons to celebrate in our wonderful school community. I hope you have enjoyed following our events and activities through our school website, Facebook and Twitter accounts, as our school really is a great place to be.

The end of term festivities and events have been magical and we are very proud of our children who have performed in 'Prickly Hay' and 'Babushka.' There have been many festive activities and I would like to extend my thanks to our Parents Association for the continued effort and enthusiasm and for organising another wonderful Christmas Fair.

The children enjoyed a fantastic Christmas Dinner and I would like to extend our appreciation and thanks to Sue our cook and her team and all the Midday Supervisors and staff who helped to decorate the tables and make the lunchtime such a wonderful occasion. Thank you also to our staff who helped to serve the dinner and ensure the children had a good time. A great team effort!

I would like to thank Governors, all our staff, children and parents for working so hard to ensure our children continue to have the best opportunities we can give to them .

*On behalf of Governors and the whole of the Simmondley Staff Team I wish you all a very Merry Christmas and a Happy New Year.*

*Kindest regards,*

*Mrs Greaves*
