

Week beginning March 27th 2017

Story time is really important in developing your child's children's love of literacy. Children will look at the books during class time and adults will be able to make purchases after school from Monday to Thursday.

This week children have been learning about time, including days of the week, months of the year and o'clock.

We have been thinking about the Easter Story and have re-told it and written about it. We have made and written Easter cards and are learning new songs.

Mrs. Greaves praised Apples and Rowen for being the best classes during the fire practice.

Special Notices

Well done to everyone who entered our Easter competitions and congratulations to George, one of the winners. Please could children remember to return library books on time. Next week we shall be watching 'The Selfish Giant' theatre production.
