Dear Parents/Carers

## ***Social Networking and Live Streaming - Helping our children to stay safe online***

Social networking and live streaming are highly appealing to children and young people and their popularity is continuing to rise. In response to this, and the risks that these activities present to our children, we would like to invite our parents and carers to a presentation on keeping our children safe online on Thursday 7 June 2018 at 6.30pm. The presentation will last approximately 1½ hours and is designed to:

- Raise awareness of which apps/games our children are using, and the dangers that can arise;
- Demonstrate how the children are being helped and supported in school;
- Help parents/carers to keep their children safe online.

If you would like to attend this session please complete and return the slip below to our School Office by Monday 4 June. (Please be aware that this presentation is a repeat of the one held on the morning of Friday 16 February.)

Yours sincerely

Mrs Sue Worrall  
Online Safety Lead
