7<sup>th</sup> February 2018

Dear Parents

**Helping our children to stay safe online**

Social networking and live streaming are highly appealing to children and young people and their popularity is continuing to rise. In response to this, and the risks that these activities present to our children, we would like to invite our parents and carers to a presentation and workshop on keeping our children safe online on Friday, 16 February 2018 at 9.00am. The presentation and workshop will last approximately 1½ hours. Due to the availability of space the session will be limited to 30 people. If there is sufficient interest, then we will look at other dates and times one of which will be in the evening.

If you would like to attend this session please complete and return the slip below to Mrs Kimberley by Thursday 15<sup>th</sup> February.

Yours sincerely

Mrs Sue Worrall  
Online Safety Lead
