REASONS TO CELEBRATE

- It was fantastic to welcome members of the Northern Chamber Orchestra into school on Tuesday. All our children enjoyed learning about their instruments and a piece of music called *Carnival of the Animals*.
- Well done to KS2 children for their enthusiasm when taking part in Sports Day on Thursday. Thank you to all staff and volunteers who helped out on the day, special thanks to Mrs Monaghan for organizing the event.
- All exhibition artwork has now been sent off for framing. Our Image School Art Exhibition will be on 16th June. Details of viewing times have been sent this week. Our children are very excited to see their work in the exhibition!

How have you shown a respect for other people's opinions this week ?

'I listened to my friend talk about his favourite football team, even though I support another team.'

'When we were playing out my friend and I didn't agree on the rules of the game, so we listened to each other and changed the rules a bit.'
