Easter TEA

Tuesday 26th March, 2013 @ 3.30 – 5.00 pm

Simmondley School Parents' Association will be holding an Easter Tea straight after school on Tuesday 26th March. For those haven't attended one before, it is not 'just' a tea, but then again it's not quite a fair.

Tombola

We will be running an Easter egg tombola – we would be very grateful if as many people as possible could donate an Easter egg. As always with tombolas we need a good variety. Whatever you can offer, large or small, will be gratefully received. (Usually the children are offered a non-uniform day in exchange for their donations, but as the children recently dressed down for Red Nose Day, there will not be a non-uniform day on this occasion.)

Refreshments

We will be serving tea, coffee and squash, hot cross buns and Easter nests.

Competitions

There will be two competitions (with prizes!):

- ❖ Easter hat – there will be a parade of entries during the event.
- ❖ Decorate an egg (hard-boiled please!) – this can be decorated any way you like, even made into a character. Entries should be on a paper plate with the child's name and class written on the bottom of the plate.

Judging will be in four categories: Infant Girls, Infant Boys, Junior Girls and Junior Boys. The judges will be taking into consideration the input from the child in each competition.

If children are not able to come to the actual event, they may still enter the 'decorate an egg' competition.

All entries to be brought into school no earlier than the morning of the event. Straight after school would be fine – this might help to avoid damage to any more delicate creations!

Hope to see you there!
